MEMORANDUM FOR: DIA COMOR Member

SUBJECT: Request for Exception to COMOR-D-7/1,
March 1962, As AmendedREFERENCE:

1. The Chairman, COMOR Sanitization and Decontrol Working Group has shown me the reference forwarded to him by In my estimation the proposal has merit as has one previously received from the Army regarding revisions in the handling of the 1:250,000 charts. However, in the context of our previous talks and General Carroll's desire to hold revision of the Sanitization Manual until DIA is prepared to make an across-the-board recommendation, I do not feel that the SDWG should proceed on the basis

2. If the reference memorandum represents a change in DIA thinking and you propose that the Working Group begin to make piecemeal revisions, I shall be glad to consider this and other legitimate proposals on such a piecemeal basis.
